

# February Newsletter Mrs. Olivia's 3's class

Dear Parents,

We have had a great start for 2023. We are having fun learning about snow, winter sports and activities. We are learning what animals live in cold environments, like penguins and polar bears. It was great seeing everyone participate in our Catholic School's week. Thank you for all the wonderful food brought in for our Family Heritage Picnic.

The rest of the month, we will talk about community helpers, Chinese New Year, Groundhog Day, and enjoy Valentine's activities. On Tuesday, 2/13, we will have a Valentine's card exchange. Please have your child bring in 12 valentine cards with just their name on the cards. You can address them with "My Friend" or leave it blank. Children can also wear Valentine's theme/colors on this day.

We will end the month with a teddy bear week. Your child can bring in a stuffed teddy bear/animal on Wed. 2/28. We will go on a bear hunt and have a teddy bear picnic in our courtyard. Our Snow day was rescheduled for 2/29. Please have your child dressed to play in the snow with a change of clothes. We will start that day on the playground. The grassy area will be open after class, if you want to take your child to continue to play in the snow.

Many blessings,  
Mrs. Olivia Candelaria

## **Important Events**

Wed. 2/7 Home Room Parent meeting
