

May Newsletter Mrs. Olivia's 3's class

Dear Parents,

Hello, May, and summer too. I can't believe we are almost done with school. It breaks my heart to have your child leave my class but know they are ready to move on. I truly enjoyed spending this time with them and helping them grow.

Good thing we still have lots to learn during this month. We will move from land to sea. Summer is right around the corner and with Arizona weather, that means hot weather very soon. The best way to cool down is usually with something having to do with water. So, we will talk about water safety and what lives in water.

We will also be busy making Mother's and Father's Day gifts. Be sure to check the calendar for this month's events and your child's cubbies for lots of goodies.

Don't forget the end of the year celebration, "Water Day." There is no class for preschool, just a day for fun. I can't wait to see you there before summer vacation. Also don't forget to sign up for summer school.

Many blessings,
Mrs. Olivia Candelaria
