Dear Parents,

Thank you for all the birthday well-wishes and love gifts. It meant a great deal to me.

It is hard to believe that we only have 11 days left in the school year. It seems like just yesterday that we were all getting to know one another.

This has been a year of friendship, faith formation and discovery. As a result, I am very excited to present a wonderful group of socially competent and enthusiastic investigators who are prepared for their next stage of learning.

The final few weeks of school will be dedicated to our desert environment, friendship and moving on. We will reflect on the memories that have been made this year and how we will keep them in our hearts. Thank you for giving me the opportunity to be a part of your child's memories.

Have a safe and wonderful summer,

Much Love,
Sheri Miles -
