Our Preschool Prom (the cutest event you will ever attend) will be here soon, May 2nd. Now is the time to solicit local businesses, or if you have a business, who is willing to donate items, services, or gift certificates for our silent auction. Please see Mrs. Kelly in the front office for more information and for the tax deduction forms.

The months just continue to fly by. It is hard to believe we are already in the month of March and well into our Lenten season.

Here is a glimpse of what's ahead:
Growing in Faith (Lent): As we continue our Lenten journey, we are focusing on two of the three pillars: prayer and almsgiving. In class, we're practicing small acts of kindness and learning how even little sacrifices can make a big difference in our hearts and our community.

St. Patrick's: On March 17th, we'll be celebrating the life of Saint Patrick. I'm planning some fun STEAM activities (including the classic Leprechaun trap) and exploring the history and symbols. The 3-leaf shamrock representing The Father, The Son, and The Holy Spirit.

Our Community Heroes: This month, we continue learning about our "Community Workers". We'll be learning about the diverse roles people play to keep our city running, from healthcare workers and first responders to postal carriers and teachers. It's a wonderful way for the children to see how they might one day contribute their own talents to the world.

"I pray to God to give me perseverance and to deign that I be a faithful witness to Him to the end of my life for my God."
