Sock Sales after All Masses

March 25

Picture Day (uniforms for class pictures)

We have had a very busy spring so far. Valentine's Day gave us the chance to talk a lot about Love. As we enter Lent, we will begin to learn how much Jesus loves us and everything he has done for us.

We will be reading about the stations of the Cross and going around the parish campus to see the different Stations of the Cross that are available.

We will also be learning about growing things. The children will grow plants in our classroom and study the growing flowers and plants all around us.

Parent/Teacher Conversations are on Thursday March 5th. There will be no school on this day. Sign-ups are available outside the classroom. And I will also have a sign up genius link sent out. Let me know if you would prefer an in-person conversation or a phone conversation.

The Preschool Prom is coming up on May 2nd. This is our school's major fundraiser of the year. Every year we have a silent auction if you know any local businesses which might be willing to donate anything for this, please let Ms Debbie know.
